

Aztec & Bloomfield High School Scholarships

San Juan Masonic Lodge #25 of Ancient, Free and Accepted Masons is a fraternal organization that believes in the importance of charitable works within the community. We annually offer scholarships to graduating seniors in the Aztec and Bloomfield High Schools. In 2007, we are offering ten (10) \$1,000.00 scholarships.

The scholarships will be awarded for two semesters at \$500.00 per semester and will be paid to the winners at the beginning of each semester. The check will be mailed to your college and will go to your account (*Note: We require proof of admission to the college of your choice be mailed to San Juan Lodge at the beginning of each semester prior to your scholarship check being sent out*). The selection criteria are not primarily academic; acceptance into any college is sufficient evidence of academic performance.
